

Pine Hill Elementary
School Accountability Report Card
Reported Using Data from the 2015-16 School Year
Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

Perched on a bluff overlooking Humboldt Bay and the Pacific Ocean beyond, Pine Hill Elementary School serves 260 students ranging from transitional kindergarten through third grade. It is part of the South Bay Union Elementary School District. The school is located on the coast about 280 miles north of San Francisco and just south of the city of Eureka, population 28,000. It is one of two schools in the South Bay Union School District. The other school, South Bay Elementary School, is a 4-8 grade school. Students live in the Elk River Valley, Pine Hill, Humboldt Hill, King Salmon, and Fields Landing neighborhoods that range from economically disadvantaged to upper middle class singly family dwellings.

We at Pine Hill believe in social as well as academic responsibility. We have a dedicated staff consisting of twelve regular education teachers, an administrator, a resource teacher, a music teacher, a counselor, a speech teacher and a staffed library. The staff strives to be exemplary role models of caring and cooperation in addition to promoting academic excellence. We are very proud that Pine Hill is a 2003 California Distinguished School and the Title I Academic Achievement School in 2004, 2010, and 2011. We offer extended and enhanced educational opportunities until 6:00 pm daily through our EXPLORE after school program. This allows over 60% of our students to receive help with their homework, and participate in recreational and educational activities. Explore better prepares our students to meet the demands of the State Academic Content Standards.

Our mission statement summarizes our goals for all of our children: Prepare today's students to succeed in tomorrow's world by doing the following:

- Provide a safe and nurturing school environment
- Instill the basic skills necessary to prepare students for secondary education
- Instill in students a sense of global awareness and civic responsibility
- Instill in students problem-solving skills in a technological world
- Instill a desire to become life long learners

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

South Bay USD takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, South Bay USD uses a facility inspection tool. The results of this survey are available at the school office for review. Pine Hill is a school in generally clean and maintained in exemplary repair with an overall rating of 99.43%. Only one non-critical deficiency was noted; the wood handrail for RM15 was loose and rotting. South Bay USD maintenance staff ensures that repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient services and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
English Language Arts/Literacy	44	38	43	40	44	48
Mathematics	51	51	28	30	34	36

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2015-16)

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	3	65	63	96.9	38.1
Male	3	21	19	90.5	36.8
Female	3	44	44	100.0	38.6

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
Hispanic or Latino	3	16	16	100.0	50.0
White	3	37	36	97.3	36.1
Socioeconomically Disadvantaged	3	44	44	100.0	38.6
English Learners	3	12	12	100.0	25.0

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2015-16)**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded

Male	3	21	19	90.5	47.4
Female	3	44	44	100.0	52.3
Hispanic or Latino	3	16	16	100.0	43.8
White	3	37	36	97.3	52.8
Socioeconomically Disadvantaged	3	44	44	100.0	45.5
English Learners	3	12	12	100.0	25.0

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

The goal of Pine Hill School is to create partnerships and support for our parent body. Our Parent Teacher Student Association (PTSA) sponsors many activities throughout the year; a pancake breakfast, Apples for Educators (staff appreciation), an Annual Carnival; a Family Dance Night, to name a few . The school offers numerous opportunities for parent involvement. Parents volunteer in the classroom, in the library and on field trips. There is an annual volunteer training to assure that parents have success in their experiences at school. The PTSA supports student learning through annual grants to teachers and special projects. If parents or community members are interested in volunteering at Pine Hill Elementary, please call the South Bay USD office for further information.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Suspensions	0.0	8.9	0.0	3.0	4.9	0.0	4.4	3.8	3.7
Expulsions	3.8	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2016-17)

Teachers and administrators from both school sites have participated in School Safety Plan Training at Humboldt County Office of Education and are actively updating and revising the present Safety Plan to reflect necessary changes. Our safety plan for the 2016-17 School year was reviewed and adopted by the School Site Council on October 11th, 2016. This year, goals are to decrease the number of students absent each day and to improve the physical condition of the school by improving outdoor lighting, completing necessary repairs, replacing unsafe equipment, and improving the speaker systems (Shannon Wilson will take point). Tami Beall assumes incident command should an emergency occur. Emergency plans are in place, and have been rehearsed. For example, we participated in the Great California Shake-out on October 17, 2016 to practice our Earthquake procedure.

Types of Services Funded (Fiscal Year 2015-16)

Pine Hill School provides high quality standards-based instruction to all students, TK-3rd grades. Administration and staff meet throughout the year to identify individual student needs and to provide targeted interventions. Administration, parents, teachers, students, and classified staff have a strong commitment to educating the "whole child" and collaborate at regularly scheduled Intervention Support Team meetings to ensure that student success is supported.

Pine Hill School is a California Distinguished School, as well as a Title I Academic Achievement Award winner, that prides itself on providing a nurturing, challenging learning environment. Success For All: A researched-based comprehensive reading program emphasizing collaborative learning.

Reading Intervention Program: identified students are provided with targeted reading instruction by reading tutors either individually or in small groups.

English Language Learner Program: individual or small group targeted English instruction is given to identified students based on CELDT testing results.

Friendship Groups: given by school counselor; classroom teachers incorporated Second Step into their curriculum plans and school day. After School Program: assists students with homework and provides recreational and enrichment activities.

Family Resource Center: provides students and families additional support including dental exams and dental services.

Accelerated Reader and V-Math: support students with improving their basic skills.

Professional Development (Most Recent Three Years)

Staff development is held during 3 pre-service days at the start of the school year. The district also has minimum days each Wednesday afternoon where teachers collaborate and focus on professional development. The district determines a professional development emphasis through a combination of student achievement data and input gathered on the LCAP Stakeholder Input surveys. This year was focused on reading instruction (Success for All) and technology (Google Classroom).
