What Makes South Bay Charter's Independent Study Program Unique?

Our Independent Study program makes its home on the South Bay Elementary campus. Students will have the opportunity to participate in a traditional home-based independent study program, or have access and opportunity to participate in a blended learning program, including small group instruction, clubs, field trips, an after school tutoring and enrichment program, and school organized sports (golf, coed soccer, girls' and boys' basketball, and coed track-and-field.
